2021 Golden Gate Gaymes Description

Wheel of Misfortune

This Golden Gate Gayme classic, made famous by Principessa Suprema Gypsy Calabresi, is our version of Wheel of Fortune. Teams will choose letters and the guess phrases and titles to solve the puzzle.

Empresses' Balls

In honor of all the Empresses' jewels, we play basketball, bocce, and peewee golf, gaymes of various size balls where we let it all hang out.

The Emperors' Quest

This gayme consists of obstacles and tasks to be completed in the best time possible. Like each Emperor's reign, this game holds the unexpected. Participants will be given their first location where they will (1) do a task and (2) answer a question to obtain a clue as to the next location.

GOLDEN GATE GAYMES 2021 TEAM APPLICATION

Good Head

Let your creative juices flow! Each team is supplied with one styrofoam head and craft supplies to design their creation. Teams must give it a name and a brief description as it represents their team, then incorporate it into the finale.

SF Bay Challenge

Trivia packet to be distributed at 2:00 pm. Teams have two hours to complete 25 questions. Turn in by 4:00 pm!

Lip-Sync or Swim

The last gayme of the day is a performance to be judged at the finale. Each team will be given the same audio file upon application turn-in. (The approx. 3 min. song will be emailed in advance or you can make other arrangements to pick up). Get this file early and get your performance rehearsed as it is a big part of your score!

At the Golden Gate Finale, Team Lip-Sync or Swim will be judged by a panel of judges. Judges will score each team in several categories including Production & Entertainment Value, Visual Value (costumes, wigs, makeup), Choreography/Lip-Sync, and Originality for a possible 200 points.
